New Business:

FRPU and Swamp Properties Project Presentations: Cassie Roeder with Partners for Fish and Wildlife introduced herself to the board and spoke on her background in restoration type projects. She then went into a short presentation on the Partners Program and what they can offer. There was then a lengthy discussion for both the Swamp and FRPU properties and some potential projects that may be done based on what Cassie saw while touring the properties with Julie on March 22nd. M/S/C Don/Clay to move forward with the Partners Program for a Juniper removal and restoration project on FRPU. Julie and Cassie will continue to look at the Swamp Property and determine how to move forward with developing water structure/pond and plug projects within the DU well project area.

Set up Property/Project Committees: Tabled due to time.

Jackrabbit NOE: M/S/C Pat/Don to accept changes made to NOE. Roll Call: Yes – Bill, Pat, Don, Clay, Chuck
No - none.

Defensible Space Mailers: Sharmie notified the board there will be fliers hung in the post offices, bulletin boards, as well as posted in the newspapers and Facebook page.

Sharmie also notified the board that there was a bullying claim made against a Backbone project team member by the Forest Service. Complaint had been dealt with and does not require any further action.
